CONGRESSIONAL CANDIDATE FORUMS AND OTHER TOWN HALLS IN MARCH AND APRIL FIND AN EVENT NEAR YOU!

CARA is hosting events all around the State to engage seniors on key issues in order to impact the 2018 elections. CARA is targeting several Congressional Districts where we plan to hold Candidate Forums so that senior voters can learn where the candidates stand on issues like protecting, improving and expanding Medicare, Medicaid and Social Security. In other areas, we are having state and local candidate events. Other locations are sponsoring educational forums on issues like Single Payer, Medicare and Medicaid, and Social Security.

Below is a list of events around the State. Please look for the event in your area, and plan to attend. We urge you to forward this information to your organizational members, friends, family, neighbors – everyone you know. The June 6th primary is coming up sooner than you think, and we hope to provide information to help everyone be an informed voter. If you want more information about any of these events, please call the CARA office and we can send you an individual flyer for each of the events. Our toll-free number is 877-223-6107. Here is the list of events.

Take Action to Take Back our Country in 2018 *Become a Senior Ambassador!*

- **The 2018 elections could decide the future of programs that seniors depend upon** – especially Medicare, Medicaid and Social Security. The current national leadership has made cuts and privatization of these programs a top priority – in fact they have already started making these cuts with more to come. Unfortunately, several of our California Congressmembers have voted to support these plans. We must let them know that seniors and our families, regardless of party preference, will not vote for someone who votes to support these devastating cuts to these essential, popular American programs.
- **CARA's Seniors Vote 2018 is targeting 5 Congressional races** where the incumbents continue to vote to dismantle our social insurance programs – programs that we paid for. We know that seniors could be the deciding votes in these districts (seniors comprise almost 50% of the regular voters in these districts in mid-term elections). Many of these senior voters are isolated,

and don't get a lot of information besides what they see on television, hear on the radio, or read in their mail. They vote for incumbents because they recognize their name, have voted for them before, or hear and see their name on advertisements, etc. Many of these voters do not even know that the people they elected are voting to cut the programs that they love and need.

- **CARA's Seniors Vote 2018 will recruit seniors throughout California to "adopt a list" of 20 seniors in one of these key Congressional districts** to call on a regular basis (3-5 times over the year). They will provide important information to help these voters make more informed decisions using candidate answers to questionnaires, scorecards, etc. CARA will not endorse a candidate, but our callers will help provide information so that these seniors can make more informed decisions.
- **Please sign up today to be a Senior Phone Ambassador.** We can take back our country and elect representatives who represent the interests of seniors and our families if we all join the CARA Senior Vote Project. Fill out our Seniors Vote 2018 – Take Action Card today. **You can click [here](#) to download the form** or call the CARA office if you want to sign up or need more information at 877-223-6107 (toll free).
