

CARA PRESENTS:

UPCOMING 2021 FABULOUS FRIDAY FORUMS at NOON April 23rd

CARA is continuing to offer our FABULOUS FORUMS on Fridays at NOON. By all accounts, these have been a huge success so far – Seniors and Medicare for All, Climate Justice, and a wonderful performance on brain health and empathy by Josh Kornbluth. Hundreds of CARA members, friends, and colleagues have joined us. All of our Forums are recorded (except for the Josh Kornbluth performance) and the materials presented are available on the CARA website under Issues/ 2021 Forums if you want to share them, re-view them, or download the materials ([click here](#)).

Below are the upcoming Forums in April. You will be sent a link for the Forum upon registration. If you have any questions or need assistance registering for the Forum please contact our office to the number/email listed below.

The CARA Education Fund will be offering our popular Leadership Academy workshop on How to Communicate with Elected Officials virtually on Zoom, led by CARA Board Members Tom Rankin and Hene Kelly.
