

California Alliance for Retired Americans

2022 Statewide Proposition Endorsements

CARA is a grassroots senior advocacy organization representing over 1 million Californians. We believe these state initiatives will have a significant impact on seniors, our families, and future generations.

 *Please use this guide when Voting by Mail or Take with you to the Polls!*

Prop	Name	Endorsement	Summary
1	Right to Reproductive Freedom Act	YES	Protects the fundamental right to abortion and the fundamental right to reproductive health by adding those rights directly into the California State Constitution.
28	Art & Music K-12 Education Funding Initiative	YES	Provides additional funding for arts and music education in public schools - bolstering funding for our grandchildren and future generations.
29	Dialysis Clinic Requirements	YES	Dialysis patients deserve protection under the law. Prop 29 will help ensure they receive safe treatment in dialysis clinics under the care of a doctor or another highly trained clinician in case of emergencies, without risk of infection, and without discrimination.
31	Flavored Tobacco Products Ban Referendum (2022)	YES	Protects Kids, our grandchildren and Californians of all ages from Big Tobacco by ending the sale of candy-flavored tobacco products including e-cigarettes and minty-menthol cigarettes, saving countless lives and hundreds of millions of taxpayer dollars annually.

The California Alliance for Retired Americans is building a statewide network of hundreds of organizations for the purpose of educating and informing its membership, the public, and elected officials about issues that affect the well being of California's older adults.
